

The diagram features a robot in the bottom-left corner, represented by a blue circle with a black dot in the center and a horizontal line extending to the right, ending in a small red square. The robot is positioned on a gray rectangular base. A yellow speech bubble with a black outline and a tail pointing to the robot is located above and to the right of the robot. Inside the speech bubble is a yellow rectangular box containing a sequence of commands in red text. A green vertical cursor is positioned at the end of the text.
